RDK X3 Camera Adapter

V1.1.0
2025-07

D-ROBOTICS HOLDING LIMITED

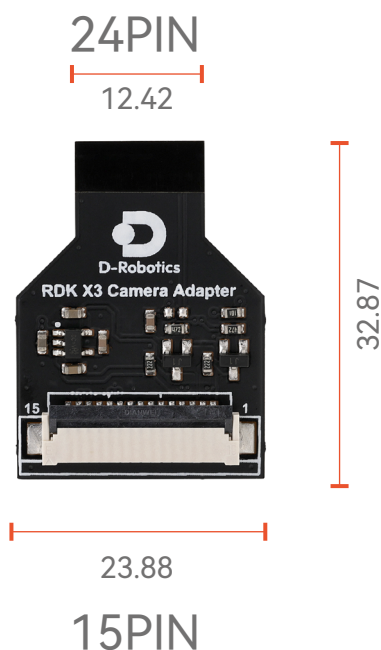

D-Robotics RDK X3 Camera Adapter

RDK X3 Camera Adapter is designed for compatibility with the D-Robotics RDK X3 platform. It converts the native CSI interface of the RDK X3 into a 15-pin, 2-lane CSI interface, enabling seamless integration with popular Raspberry Pi-compatible camera modules such as the OV5647, IMX219, and IMX477.
