## RDK X3 Case

V1.1.0  
2025-07

D-ROBOTICS HOLDING LIMITED

# D-Robotics RDK Case

## BRIEF

The RDK X3 Case is a robust, full-metal enclosure designed to provide reliable protection and effective heat dissipation for your device. Finished in matte black, it features precisely engineered cutouts around the I/O and antenna areas to ensure optimal signal transmission and easy access for plug-and-play functionality. The enclosure is secured with four screws, allowing for straightforward installation and removal.

## SPECIFICATIONS

<b>Material</b>	Aluminum Alloy
<b>Dimensions</b>	85 × 56 × 18.5 mm
<b>Weight</b>	82.7g

## SAFETY INSTRUCTIONS

### To Avoid Malfunction Or Damage:

- This product is intended for use exclusively with the RDK X3.
- Operate this product only in a well-ventilated environment. Do not place any objects on top of the enclosure.
- Do not expose the product to water or moisture during operation, and avoid placing it on conductive surfaces.
- Do not expose the product to external heat sources. The RDK X3 Case is designed to operate reliably under normal ambient temperatures.
- Avoid touching the metal enclosure while the RDK X3 is powered on, as it may become hot and cause burns.
